Dr. Jane E Henney, Commissioner
Food and Drug Administration
5600 Fishers Lane, HF-1
Rockville, MD 20857

Dear Commissioner Henney:

I am writing to urge the FDA to require safety testing and prominent labeling of genetically engineered foods.

I have a right to make an informed decision as to what I choose to put in my body and your current policy denies me that right. I also am greatly concerned about the effect on the environment.

I urge your reconsideration of the crucial issue.

Sincerely,

Lorraine Wulfe
